

ANNOUNCEMENT

Tri-Valley, Inc. has been chosen to serve as an access site for The Massachusetts Assistive Technology Loan Program (MA AT Loan Program) operated by Easter Seals-MA. Easter Seals works in partnership with Sovereign Bank to handle the loan distribution.

The MA AT Loan Program enables persons with disabilities in the Commonwealth to secure the technological assistance to improve the quality of their lives through enhanced independence. Loans are accessible to low income borrowers and others who would not otherwise qualify for consumer loans. Purchases made from these loans include but are not limited to modified vehicles, computers and peripherals including software, hearing aids and prosthetics, mobility devices and adapted home media appliances procured for their adaptive functionality.

Tri-Valley will provide information and application assistance to qualified individuals on-site or in their homes.

Please direct any inquires to Tri-Vally's Information and Referral Department at 508-949-6640 or 1-800-286-6640. Additional information about the MA AT Loan Program can be found at www.massatloan.org .
