Taking care of a person living with Alzheimer's or related dementia is specialized work. To do this work successfully, caregivers need special skills, knowledge, and a positive attitude that helps them to care for themselves.

Become an expert in Caregiving for someone with Alzheimer's or related dementias!

Savvy Caregiver will help you:

- **Understand the impact of dementia on both you and the person you are caring for.**
- **Learn the skills you need to manage daily life.**
- **Take control and set goals.**
- **Communicate more effectively.**
- **Strengthen family resources.**
- **Feel better about your caregiving.**
- **Take care of you!**
