

BOOST YOUR BUDGET WEEK

April 12-16, 2021

Tri-Valley is partnering with the National Council on Aging to celebrate Boost Your Budget Week.

An estimated \$30 billion in public and private benefits go unclaimed every year because older adults don't know about them or how to apply.

If COVID-19 has left you struggling to make ends meet, this is the perfect time to see if you qualify for benefits programs that can help you pay for food, medicine, housing, utilities, health insurance premiums and more!

Contact Tri-Valley for more information, or take a few moments this week to get a free online confidential checkup through the National Council on Aging at [BenefitsCheckUp.org](https://www.benefitscheckup.org) or [BuscaBeneficios.org](https://www.buscabeneficios.org).
