Many older adults experience concerns about falling and restrict their activities. A Matter of Balance is an award-winning program designed to manage falls and increase activity levels.

Learn to

- View falls as controllable
- Set goals for increasing activity
- Make changes to reduce the risk of falling
- Exercise to increase strength and balance

Who should attend

- Anyone concerned about falls
- Anyone who has fallen in the past
- Anyone who has restricted activities because of falling
- Anyone interested in improving balance, flexibility and strength
