ARE YOU INTERESTED IN GROWING YOUR SKILLS TO SECURE A NEW JOB IN HUMAN SERVICES ...AND GETTING PAID TO DO IT?

WHY CHOOSE US?

WHAT IS CASE MANAGEMENT ACCELERATED TRAINING (CMAT)?

CMAT is a paid 11-week professional development opportunity for qualified participants to gain the skill set needed to be successful applicants for case management jobs in Massachusetts. This program is funded through an EOHHS workforce development grant.

✓ **RECEIVE A CERTIFICATE**
Upon successful completion, earn a certificate that verifies you have gained the skills to be a successful applicant for case management jobs.

WHO IS A QUALIFIED PARTICIPANT?

Individuals who do not have a 4-year degree and have related experience in the human services field. This includes high school graduates, those with GEDs, and individuals with up to and including 2-year associate degrees with experience related to human services or providing care to others.

✓ **EARN PAY**
Get paid to participate in an innovative career development opportunity.

✓ **CONTINUING ENRICHMENT**
Access to online certificate programs via BU CADER.

HOW AND WHAT WILL I LEARN?

Skills relevant to case management jobs, including interviewing to conduct assessments, objective documentation skills, safety awareness training, case management skills, and more. Learn in the classroom and in the field!

✓ **A "FULL CIRCLE" TRAINING**
Learn to represent your new skills in mock interviews and on paper with a resume writing workshop. Attend an end of course job fair that puts you in front of employers.
