Learn...

how this initiative involves all sectors of the community in order to create an environment where individuals with dementia, their families, and friends can live as independently as possible and continue to be a vibrant part of Charlton. Hear about available resources and support programs.

Meet...

the members of the Dementia Friendly Charlton committee and understand their impact on the town.

Become...

a **Dementia Friend** by attending this information session to learn about common behaviors exhibited by people with dementia and practical actions to support those with memory impairment.

*Wear purple! June is
Alz Brain Awareness Month.*
